

MOTUL*fluid force*

2-Stroke

800 2T ROAD RACING

The choice lubricant of the 500cc World Championship Team, 800 2T ROAD RACING is most suitable for 2-stroke racing bikes operating at high revolutions and under heavy loads. Competition exclusive and reinforced with 2 types of esters, 800 2T ROAD RACING delivers outstanding lubrication even under stringent or wet conditions. Its high lubricating properties decrease friction and wear and keeps valves and piston rings well lubricated.

SPECIFICATIONS

Product

800 2T ROAD RACING

Feature

100% synthetic and reinforced with 2 types of esters to provide excellent lubrication. Orange-colored fluid for easy detection.

SAE/DOT Standard
—**Specification**

API TC
