

MOTUL*fluid force*

4-Stroke

5100 4T 10W40

Specially developed for engines that require simultaneous lubrication with their transmission applications, 5100 ESTER 10W-40 maintains stability and ensures less friction even at extreme temperatures or under heavy loads. With its extreme pressure additives, gear shifts are enhanced. 5100 ESTER 10W-40 guarantees efficient wet clutch performance as well as gearbox longevity.

SPECIFICATIONS

Product

5100 4T

Feature

Semi-synthetic, contains ester. Includes special additives that reinforces gears. Reduces noise and wear.

SAE/DOT Standard

10W40

Specification

API SG, CCMC G5 & JASO MA

Maker's Approval
—**Compatibility**

For 4-stroke engines with integrated gearboxes.
For use in all conditions, roads, city and off-road.
