

**MOTUL***fluid force*

4-Stroke

## CLASSIC MOTO OIL

### SAE50

A special formula for all vintage cars before 1950, CLASSIC MOTO OIL is a high performance oil suitable for both gasoline and diesel 4-stroke vintage engines. Formulated with a new generation synthetic base stock, CLASSIC MOTO OIL works flawlessly with old original seals, and improves the lubricant film resistance that greatly reduces internal friction.

### SPECIFICATIONS

**Product**

CLASSIC MOTO OIL

**Feature**

New generation synthetic base stock with high lubricating abilities. Excellent film strength. Features low detergency and does not affect the state of old seals.

**SAE/ DOT Standard**
