

4-Stroke

SCOOTER EXPERT 4T 10W40

4 stroke engine oil Scooters and Maxi Scooters
Technosynthese.

Specifically designed for scooters and maxi-scooters fitted with 4 stroke engines, displacement from 50cc to 650cc with or without catalytic converters.

Excellent high temperature resistance particularly indicated for city use.

Ensure engine cleanliness, detergent and dispersives properties and resistance at viscosity increase due to unburned deposits produced by the engine.
