

4-Stroke

TEKMA MEGA X*
15W-40

A super high performance diesel lubricant, TEKMA MEGA X* 15W-40 is specially designed for heavy machinery with naturally aspirated or turbocharged diesel engines. TEKMA MEGA X* 15W-40 features superior and highly effective anti-oxidation, anti-wear and anti-foam properties that protects engines from soot formation, piston deposits and oil filter plugging.

SPECIFICATIONS**Product**

TEKMA MEGA X*

Feature

Features superior anti-oxidation, anti-corrosion and anti-foam properties. Extends lifespan of engine and keeps it clean.

SAE/DOT Standard

15W-40

Specification

API CG4/SG & ACEA E396

Maker's Approval

MB228.3, Volvo VDS2, MAN M3275, RVI E3R, IVECO SHPDO, DAF LD, SCANIA LD & MACK EO-L

Compatibility

All types of naturally aspirated or turbocharged diesel engines in compliance with EURO II or US regulations.
